

READING/BERKS MANUFACTURER'S RESOURCE ROUND TABLE AGENDA

LOCATION: BERKS NATURE
DATE: Thursday, April 6, 2023
TIME: 9:00 AM – 12:00 PM

The purpose of this roundtable is to introduce our small manufacturers to resources to help you reduce your energy costs, get assistance for your dream projects, and financing to make your company more sustainable, while helping us meet our energy efficiency & transition and pollution reduction goals. Attendees will leave with a good understanding of the free and low cost resources available to our local manufacturers.
